PROFESSIONAL SUMMARY

Detail-oriented entry-level SQL Developer pursuing an M.Sc. in Data Science, skilled in writing and optimizing SQL queries, designing relational databases, and building data-driven applications with MySQL, SQLite, and Python. Experienced in CRUD operations, joins, aggregations, and reporting automation — including a project that reduced issue-resolution time by 20%. Strong foundation in database design and data analysis, with a passion for turning raw data into reliable insights.

TECHNICAL SKILLS

Databases: MySQL, SQLite, SQL (Advanced), Relational Database Design, CRUD Operations

SQL & Data: Complex Queries, Joins, Aggregations, Data Analysis, Reporting & Automation

Programming: Python (Advanced), Object-Oriented Programming, Java (Basic)

BI & Libraries: Power BI, Pandas, NumPy, Matplotlib, Exploratory Data Analysis

Tools & Workflow: Jupyter Notebook, VS Code, Git, Agile Methodologies

PROJECTS

Airline Reservation & Management System — github.com/sidthaware0518

Tech: SQL, MySQL, Python, Pandas

- Designed and queried a MySQL database of airline ticketing and booking transactions.
- Wrote SQL queries and CRUD operations to surface recurring issues and demand trends.
- Reduced issue-resolution time by 20% through automated SQL + Python reporting.

CineRate — Full-Stack Movie Rating Platform — cinerate-xonm.onrender.com

Tech: SQLite, SQL, REST API, Node.js, Express, React

- Designed a normalized relational SQLite schema for users, ratings, and watchlists.
- Built SQL queries aggregating per-user and site-wide rating averages served via REST API.
- Maintained data integrity across authentication, ratings, and watchlist features.

Predictive Analysis of Teen Digital Addiction — github.com/sidthaware0518

Tech: Python, Pandas, Scikit-Learn, NumPy, Matplotlib

- Structured and queried 10,000+ behavioral records to prepare clean datasets for analysis.
- Applied data processing and machine learning to reach 98% predictive accuracy.

EDUCATION

M.Sc. in Data Science

Pursuing

Savitribai Phule Pune University, Pune

Advanced coursework in Data Science, Machine Learning, and Statistics.

Bachelor of Computer Applications (BCA)

2022 – 2025

Swami Ramanand Teerth Marathwada University, Nanded

CGPA: 8.92 / 10. Foundations in programming, databases, and software development.

Higher Secondary Certificate (HSC)

2021 – 2022

Maharashtra State Board, Pune

Percentage: 83.50%.

CERTIFICATIONS

Python Full Stack with Data Science

2025

FirstBit Solutions, Pune — Python, SQL, Machine Learning, and Data Analysis.
